Dear Sir:

This application is a reissue of U.S. Patent No. 6,007,988, issued December 28, 1999.

GENDAQ LIMITED, a corporation, certifies that it is the Assignee of the entire right, title and interest in the above-referenced application by virtue of an assignment forwarded to the USPTO for recordation on October 24, 2002, copy enclosed.

The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of Assignee.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
